Dear Parents:

We want to welcome all the new students, as well as the returning students to the 2021 Marching Band Season. This booklet will provide you with the information that you need concerning the upcoming 2021 season. Please review and if you have any questions, please feel free to contact the directors.

In this packet you will find:

Not only is our organization successful due to the dedication your students put into playing and learning the drills, but the organization is also successful because of the parent volunteers that we have. Please take the time and volunteer to sign up for a committee. The officers of BBOP need your help to make this yet another successful year.

Please have all of the necessary forms completed through Final Forms by June 30th. We need to organize and file all necessary paperwork before band camp. This will help prevent any delays the first day of camp. The nurse will contact you directly with any medical questions

We look forward to having your student in the band and hope that many great memories will be made in the 2021/2022 school year.

Thank you in advance for all your support and help. Looking forward to seeing everyone at camp and throughout the season!

Sincerely,

Mr. Nichols & Ms. Shauf

All Band Camp forms will be filled out in Final Forms this year. You will receive an email.
